WATSON COOK TERRY

W. C. (Cook) Terry, a confederate veteran and well known farmer of this county, died at his home on Cumberland river a few miles northeast of Gainesboro, Wednesday night November 30th, at 7 o'clock, following an illness of several months. He had been in bad health for more than a year and his death was not unexpected. Thus, one by one the old veterans of the war pass out to awake in the shining hills of glory.

Mr. Terry was 75 years old, a member of the Baptist church and a Master Mason. He was twice married, and by his first wife is survived by the following children. Philander, of Livingston; Austin and Perry of Coalinga, Calif.; Mrs. Avo Johnson, of Modesta, Calif.; Mrs. Will Johnson, of Sumner county, Mrs. Jack Dale, of Celina. By his second wife, who was Mrs. Lou Haile Sparkman, he leaves two children, Raggio and Evelyn, and four step children, Mrs. Laura Walker, Abbye, Hart and Merlin Sparkman. He is also survived by a halfbrother, J. W. Terry of this county.

Funeral was conducted by the members of the local Masonic fraternity Thursday afternoon, followed by interment in the Hall cemetery. The funeral was largely attended which gave evidence of many good friends.

MORE STILLS DESTROYED.

Prohibition Officer H. J. Lynch continues to bring in the copper. He came in Saturday afternoon from the North side of Cumberland river with two big copper pots, four 2 gallon jugs of corn liquor and three prisoners, which he captured on the head waters of South Fork. He also destroyed another large outfit on Hensley creek, in the same raid, but was unable to bring it in on account of it being so large.

The men arrested were Jim Allen, age 72 years, and two Dixon boys, sons of Bill Dixon. They were taken to Cookeville and lodged in jail.

En route back home Saturday night Mr. Lynch got two more stills in "No Man's" land, and destroyed a 1000 gallons of beer.

Officer Sam H. Whitaker, of the 4th district, assisted in the raids.

The first snow of the season fell Sunday night. It was very light, only the housetops etc., showed the sign.

Thanksgiving services were held at the school building Thursday morning. Appropriate and interesting talks were made by Rev. K. A. Early and Prof. Cox, after which a short program was given by the school children.

All the business houses were closed for a while in the afternoon, and several of the boys and business men spent a few hours hunting. Many good dinners were enjoyed.

The first quarterly conference of the Methodist church was held at Flynn's Lick Thursday with Presiding Noland in the chair. After the general routine of business was transacted, dinner was served at the church by the good women of that community, who are always ready and anxious to help carry on the good work. Bro. Noland delivered a fine sermon there Wednesday night.

THERE IS VIGOR IN RICH BLOOD Pepto-Mangan in Liquid or Tablets—a Blood Builder.

Vigor and strength have as their base rich red blood. Blood is rich when there are plenty of red corpuscles. They are the tiny red cells which swim in blood and give it its color. Without red corpuscles blood would be white. When overwork, or straining, or illness weakens the blood, it diminishes the number of red cells the blood becomes watery, the body weak. Vigor and strenght fall off, so that physical life diminishes like a fading plant. The physical pleasures of eating and sleeping and exercise lose all attraction. There is no zest in living.

After Gude's Pepto-Mangan has been taken for a while the blood becomes rich with red cells. They help to nourish the entire system. With good blood at work there is a great difference in living. Eating sleeping and exercise are enjoyed. All druggists sell Gude's Pepto-Mangan. Advertisement.
